

# Foldaway™ Boarding Ladders

#161 3-Rung

#162 4-Rung

#163 5-Rung

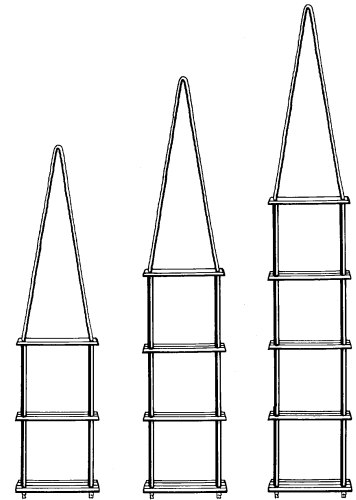

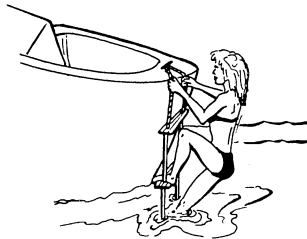

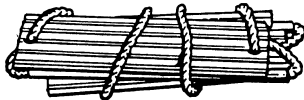

## INSTRUCTIONS

**NOTE: Foldaway™ Boarding Ladders were discontinued in 2003.**

Foldaway™ Boarding Ladders are always ready for instant use. Secure to rail, cleat, stanchion, etc. They're removable, with no permanent mountings. Convenient for swimmers, useful in landing or rescue. Support up to 300 lbs.

Made entirely of PVC plastic; can't corrode, rot, rust or mark your boat. Weigh only 2 1/2 lbs. (1.13 kg).

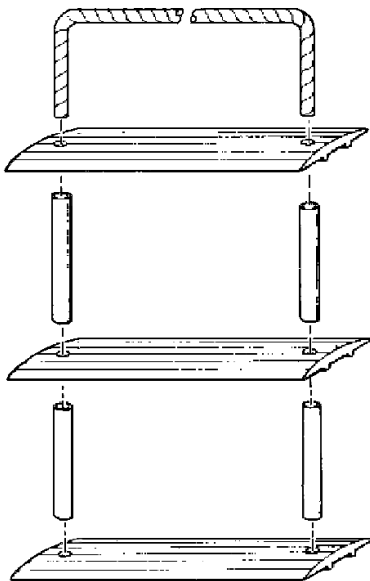

Ladders stow in as little 13 x 5 x 4" (33 x 13 x 10 cm).

## ASSEMBLY

The rope runs inside lengths of tubing uniformly separating the rungs.

Assemble as shown below and tie a knot in rope under bottom step on each side.

Ladder is designed so bottom rung sinks below the surface for easy boarding.

## REPLACEMENT PARTS

Contact your dealer or Davis Instruments to order.

**R161B** Single Spacer
